The **area** had lots of **terraced houses**. They were very simple. Our house had a veranda in front, two two rooms, and a veranda **at the back**. This was because of the tropical weather. They gave some sort of **shade**. The primitive kitchen was located in a **courtyard**. No electricity, no gas, and there was only a pipe for water which was a **communal** one. Everyone **had to** bring water in **buckets** into the house. The area was about an hour's walking distance to the railway station. And schools were quite far away from there.
